100 Percent Satisfaction.

In the hundreds of Vigil triangles I've engraved, I've yet to have a dissatisfied customer, but the day is bound to come. If for some reason, you are not happy with your purchase, send it back within 7 days of receipt, in its new condition, for a full refund of the purchase price. Please know I will not 'make it again, only a little different'. 'Do-overs' only happen if I've made a mistake. Otherwise I will simply refund your money on your one time order.

My goal is to personalize your Vigil triangle as much as possible. I would love to discuss what you have in mind and will be happy to provide a sketch for your approval in advance of my engraving the silver. Please keep in mind it will be only a sketch; my pencil work is not as sharp as my graver work.

When I Receive Your Order

I will email you to acknowledge your order and to give you an idea of how long you may have to wait before I finish and ship your piece. If I have any questions, I'll ask for clarification. If you've asked any questions, I'll attempt to answer them. And then I will get to work on your sterling silver Vigil triangle.

Thank you!

Tim Caster
